ABOUT US

Textiles and Clothing are the leading industry of Bangladesh. These sectors are earning country's major portion of foreign exchange and creating huge job opportunities every year since 1980. Keeping this prospect in mind, Tosy Knit Fabrics Ltd was established in 1997 in a small scale. With the passage of time, it has been expanded into a large scale with good facilities of Knitting, Printing, Embroidery, Cutting, Sewing and finishing. Now, the floor area is 30000 Sq. feet . Our factory is located at the Gazipur city. The location is at Tongi ,BSCIC Road is 22 kilometer apart from the zero point of Dhaka and around 6.6 Kilometer from the Hazrat Shahjalal International Airport.

The main instruments of our success are the team work, skilled personnel and professionalism. The factory is designed to meet social compliances & human rights requirements considering attending social commitments and making contribution to the economy. All expansion and development works of factory are being done keeping this vision in mind.

For the safety and welfare to the workers, the factory is equipped and protected with enough fire fighting equipment's, fire alarm, drinking water facilities, workers' canteen, sufficient number of toilets and first aid facilities. Medical Centre and Day Care Centre are available in a suitable location of the factory building for better treatment of the workers and their children.

Tosy Knit Fabrics Ltd is renowned for producing casual and kids wear with different patterns and sizes of knit fabrics.

We have a well equipped and self sufficient sample room with expertise and can make sample in a day with available fabric and trims.
